## BRANDON HODGES

Brandon Hodges is an alumnus of Newtown Friends School and a junior and honor student at The George School in Newtown, Pennsylvania located in Bucks County. Brandon has been on the George School Head of School's List & Honor Roll; Scholar of the *A Better Chance Program*; and Member of Link's Youth Council & Buck's County Jack & Jill of America.

Brandon also goes by the name b-hodge, a nickname he acquired from his friends. Known for his motivational spirit, he wanted to create an online resource where teens can come to read articles that are motivational, resources that are helpful, and a forum where teens can voice their opinions on questions posted by their peers. In August, 2010, **b-hodge.com** was launched, a website dedicated to this initiative.

**b-hodge**, acronym for **Beyond, Hope, Outstanding, Determination, Gives, Excellence**, briefly describes Brandon's spirit, drive and accomplishments. He's like any other 16 year old teen, facing challenges that teens face today, but is learning everyday how to turn challenges into successes.

Brandon resides with his parents in Jamison, PA. He enjoys soccer, a good book, talking with his friends and being a teen. Brandon is available for speaking engagements; if you would like to book Brandon to speak at your next event, we would love to hear from you.
